Returned with Compliments:-

2. From the history of services of Gazetted Officers it is seen that Lt.A.A.Manteiro and Subadar T.V.Manikaraj were sent out for war service during the last Great War. It has been stated by the Chief Commandant, Mysore State Troops, that they have been granted lands according to G.O.No.G.3512/Mily 172-15-17 dated 12-9-1917 and G.O.No.328-39/Mily 350-17-2 dated 16-3-1918. It has also been stated that it is not known how their absence was treated or on what terms they were sent out on Active Service. Inspite of an exhaustive search the records of this office do not throw any light as to how the term "Furlough pay" appearing in G.O.No.G.12889-938/G.M.141-14-1136 dated 29-5-1915 was interpreted then.

to furlough due. It is only a question of the fraction of pay to be given and it is fixed at "Furlough Pay". It follows that in the case of officers entitled to draw furlough leave allowances on the basis of Average salary, the furlough pay means half of average salary.

The allowances may be debited to the State Revenues entirely as was done in the previous war.

OFFICE OF THE MINISTER FOR FINANCE & REVENUE 29 JULY 1942 No 906

Discussed with the Minister. ~~Home Comptt~~ The Question has been fully examined in the light of the past concessions allowed ~~in~~

It will be seen from the enclosed collections that Government have definitely undertaken to show, during the present War, such concessions as were shown during the Great War of 1914 to Government servants permitted to volunteer for War Service.

The concessions shown in such cases during the last War were as follows:-

(1) Payment of a fraction of the Servant's pay

P.T.C.

under Government equal to his allowances during furlough i.e., 1/2 pay or 1/2 average salary as the case may be, during the whole of his service in connection with War.

(2) Counting periods of absence on War Service for pension and increments but not for leave.

(3) Right to resume, on return to Civil Duty, the appointment which he was holding previously or an appointment of the same class and carrying not less pay

In view of the commitments indicated in the first para, a course not more advantageous has to be adopted now. There is no question of any leave being at the credit of such officers to allow the furlough pay referred to, as absence on War Service will not be treated as leave counting against the leave at their credit. The allowances will have to be debited to Mysore Revenues entirely according to the procedure in the last War.

With reference to orders passed in this case on the basis of full scale pension, amplifying the original G.O. passed or instructions to the Comptr on the above lines will suffice.

Since the allowances are to be debited to the Mysore Revenue, perhaps no SPT arrangements are permissible. Subd for formal order.

Sir,

S. Adverting to G.O.No.W.1313-85/W.138-40-2 dated 29-12-1941 sanctioning certain concessions to Government Officers in Civil employ who volunteer themselves for War Service, I have the honour to state that it is not clear from the Order whether the officer permitted to volunteer for war service should be actually granted furlough at his credit and allowed leave allowances admissible or whether he should be granted furlough pay irrespective of the leave at his credit and if the latter be the case whether he should be given half pay or half average salary as the case may be. Further it is also not clear whether such furlough pay should be met out of Mysore State or Imperial Revenues. I therefore request you to be so good as to intimate the exact intention of Government for the guidance of audit.

ORDER No. W. 1313-85—W. 138-40-2, DATED BANGALORE, THE 29TH DECEMBER 1941.

The Government of His Highness the Maharaja are pleased to direct that the following special considerations be shown in the case of officers of Government in civil employ who volunteer themselves for War Service :—

A Government servant permitted to volunteer for War Service will be given furlough pay, plus the pay and allowances of Army rank. Absence on War Service will not be regarded as an interruption of duty for leave already earned, and will count for pension but not for leave. If the officer in question was holding an appointment on incremental pay, the period spent on War Service will count towards increments. On return to civil duty, such an officer will have the right to resume the appointment which he was previously holding or an appointment of the same class and carrying not less pay.

For the purpose of these concessions, the following kinds of service will be deemed to be War Service:—

(*a*) Service of any kind abroad with a mobilised unit ;

(*b*) Service in India under Military Munitions or Stores authorities and service in a factory notified under Section 4 (1) of the National Service (Technical Personnel) Ordinance II of 1940, in all cases with liability to serve abroad when required ; and

(*c*) A period of training with military units with liability to serve abroad when required.
